

# Fondue Wine Cheese Sauce

Printed from Fondue Recipes at <http://www.fondurecipes.org/>

*Wine makes for a lovely addition to the classic fondue - it provides a sweet tang that balances against the roundness of the cheeses deliciously.*

## Ingredients:

½ cup dry white wine  
½ cup grated mozzarella cheese  
½ cup grated cheddar cheese  
1 teaspoon flour  
Pinch garlic salt  
Pinch white pepper

## Directions:

1) Heat wine in a fondue pot over high; when near boiling, add remaining ingredients and whisk vigorously to combine. When melted, keep warm over low heat. Serve as desired.
